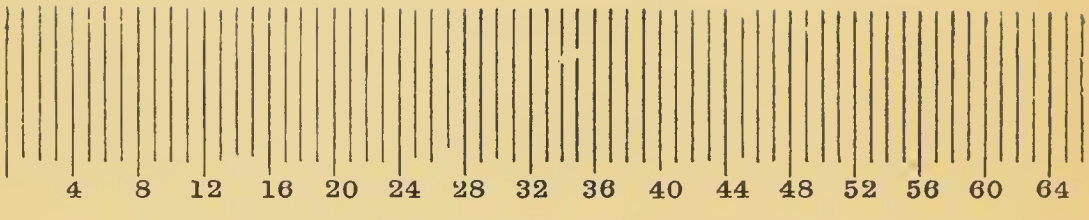
SCALE.



PREFACE.

While the collections herein calalogued are not of extraordinary merit, yet we think on a careful perusal of the many pages of the catalogue collectors will find much to add to their collections, as scattered all through the sale are numerous coins, etc., that are but seldom offered, notably the

CAFIFORNIA GOLD COINS
and
CANADIAN NORTHWEST COMPANY'S INDIAN AWARD MEDALS, 1820.

We have often observed in examining collections many common dates in inferior condition, greatly disfiguring the collection, and which could easily be obviated at little expense by purchasing from just such collections as this, where there are many coins of common dates in superior preservation.

Bids for the sale will be faithfully executed by the other regular dealers and ourselves.

Catalogues will be priced after sale for 35 cents.

We guarantee every coin and medal genuine.
